Subject: FW: FAQs

Did the release kill fish? We have not received information related to any fish kills in the river but encourage the public to call Libby 'faulk if you have any information related to wildlife impact. WE will work fith "USFWS and DO Div of Parks and wildlife to evaluate. CO DPW placed 108 sentinel fish in three? Cages in the river and one in a control trib;utary. One fish mortatlity was reported. CO D PW may have further information

Libby,

When you do use it, please use the revised version that is attached. Martin had some edits.

Thanks!
